

## June 2016 Announcements

### June is all about Dads, Grads and Summer

This month we think about and honor our Fathers, Grandfathers, Great-Grandfathers and beyond. Think of that unbroken line of y-DNA linking countless generations of men together. This would be a great month to know more about our paternal lines.

Wiki Facts: In 1966, President Lyndon B. Johnson issued the first presidential proclamation honoring fathers, designating the third Sunday in June as Father's Day. Six years later, the day was made a permanent national holiday when President Richard Nixon signed it into law in 1972

- The guided **research trip to Washington DC** is scheduled to take place from November 13-19. We will stay at the Holiday Inn Rosslyn at Key Bridge in Arlington, just a short metro ride from Archives I. Details will be posted soon. If you are interested in finding out more, please contact [Linda Okazaki](#).
- **We need BOOKS!**CGS volunteers sell books on eBay to raise money for the Library.
