August 2016 Announcements

Our Library

There are a 1000 reasons to visit the CGS Library, literally. We have literature on every state in the nation that will help break through your family tree brick walls. We have international holdings for Canada, United Kingdom and other countries. We have a large collection of city directories for the San Francisco Bay Area. Our manuscript collection's unique content of pedigree charts, private letters and other data is only available at our library. We have microfiche and microfilm indexes. You are welcome to use our computers for access to Ancestry, Fold3, NewspaperArchive, FamilySearch and many other vital websites. And we offer free Wifi for your own devices.

[Come to the library](#) because on-line resources are just the tip of the iceberg.

- **Extended Summer Hours**, June through August, the library is open Thursdays from 10 a.m. to 8 p.m. Desk volunteers, Jane Lindsey and Therese Hart-Pignotti, will be happy to help you with your research questions. PLEASE NOTE: If you want individualized, one-on-one advice, please see our Genealogy Camp event listed below, where you can sign up for a 30-minute consultation.
- **Capital Campaign** - Ready to play your part? This fall we're officially launching the capital campaign to raise at least one million dollars in celebration of the California Genealogical Society's 120th anniversary that occurs in February of 2018. We need your help to achieve this goal. Read all about it in September's eNews.
- **Smile** - Be sure to [sign up for Amazon Smile](#). Every time you place an order, Amazon donates 0.5% to CGS. It's easy, it's free and it benefits our library.

CGS Irish Ancestry Network

by Maureen Hanlon

[The CGS Irish Ancestry Network](#) was started in March of this year as an online Special Interest Group. We now have over 50 members who share their successes, quandaries, resources and more on our group's Facebook page or by email. Those who do not want to join Facebook get a weekly update.

While members express some interest in meeting in person, over half of members report finding help with their research through the online group.

Posts to the site include Tip Tuesday where focus is on research and Website Wednesday which includes a link to an Irish Genealogy site. Arlene Miles found her great great grandparents on the "Missing Friends site" and said "I kinda knew about this site but never tried it until today" Kathleen Courtney says "The Calendar of Wills and Administration is my new favorite site! Thank you to THIS FB page for leading me toward it!"

It's easy to join. If you're a Facebook member, search Facebook for the [CGS Irish Research Network](#) and request an invitation. If you're not a Facebook member or want the email updates instead, send an email to [Maureen Hanlon](#)

Want to start your own CGS-affiliated online SIG for another ethnic group or genealogy topic? Let's talk!
